Sri H. D. DEVE GOWDA.—While taking a decision whether it is essential or non-essential, will political considerations crop up ?

Sri M. Y. GHORPADE.—Take for instance, various roads. Is not the Minister entitled to call all the officers to decide which are all the roads on the anvil, which should receive priority, and which should be taken up first, and which second? This sort of control should be exercised by the concerned Department.

Sri H. M. CHANNABASAPPA.—Sri Deve Gowda will appreciate the point when I say that suppossing there is an estimate for Rs. 10,000 for asphalting a road or for straightening a road. It is absolutely essential to give communications to rural people. As between that and straightening a road at a cost of Rs. 2 lakhs, I am sure he will agree that rural roads must have preference. It is for that safeguard this procedure is adopted.

Sri M. Y. GHORPADE.—I am anxious that all the departments should exert to fully utilise whatever amounts have been provided in the budget so that the actual expenditure does not fall short of budgeted amounts.

Sri S. H. SIDDAPPA.—So, at the top level you will not have political consideration while the officers at the bottom will have political consideration. Why not you list essential and non-essential items and give them some guidelines ?

Sri M. Y. GHORPADE.—Is the hon. Member trying to suggest that when the officers at the district level take decisions thay are not political and that when they are reviewed at higher level they are automatically political ?

Note :—Junior Class I Officers are working against posts at Sl. Nos. 15 to 20 in independent charge under Rule 32 of the M. C. S. Rs. whereas in charge arrangement is made in other posts.

Sri B. B. SAYANAK.—May I know when these posts of Deputy Directors of Public Instruction were created and who are the persons who have filed the writ petition Nos. 25 and 137 of 1966 in the High Court ?

† Sri A. R. BADARINARAYANA.–I require notice for that question.

Sri M. S. KRISHNAN.—Many a time in reply to questions the Ministers say 'I do not know' or 'I want notice'. We expect the Minister to come prepared.

Sri B. B. SAYANAK.—What are the grounds on which these officers have filed their writ petitions in the High Court ?

Sri A. R. BADARINARAYANA.—The grounds are that their seniority has been ignored and that it should be set right.

Sri B. B. SAYANAK—When has the Supreme Court vacated the stay ?

Sri A. R. BADARINARAYANA.—It has vacated the stay about three months back.

Sri B. B. SAYANAK.—The 26 posts of Deputy Directors of Public Instruction are not yet filled up. May I know whether the Government is going to fill up these posts immediately ?

Sri A. R. BADARINARAYANA.—After the stay order is vacated the confidential reports of all the officers have got to be received, they have got to be scrutinised, the seniority list has got to be prepared and

referred to the Public Service Commission and the P. S. C. should concur and then it comes before the Government for finalisation.
